## Our Vision

Encouraging involvement to improve  
and enrich the local downtown  
environment

Richlands Barber Shop  
Facade grant recipient  
Before and After

## Facade Grants

### Want to improve the outside appearance of your Downtown Richlands Business?

The Downtown Richlands Façade Enhancement Grant Program is a matching 50/50 grant program, and has been created to encourage private investment through the renovation of facades (street faces) in Downtown Richlands; to encourage good design that will serve as quality examples; and to preserve the architectural character that is unique to Richlands

Visit our website for more information, and to download the Grant Application, Design Guidelines and Letter to Merchants & Owners

We will be having events to raise funds for the Grants and to encourage everyone to visit our Downtown. It's all about enjoying Richlands!
